Request for Veteran's Information

The Elgin Military Museum is attempting to compile files for all residents of Elgin County who have served in the Armed Forces of Canada and its Allies. Your assistance in providing information about your military career would be appreciated. In addition to the information listed below, we would also appreciate receiving items such as photographs (preferably in uniform), official documents (Discharge papers, etc.), newspaper clippings, obituaries, etc. If you desire, the Museum can copy or scan the originals and return them to you.

Please be aware that this information will be available for viewing by the public and researchers. Do not include sensitive or confidential information you would not wish to be made public.
